Yes, I will. Thanks for passing along the info. Feel free to forward my phone number to Barbara in case she wants to me directly in the future.

**Subject:** Cargill

Cargill is meeting in person with EPA OW next week (June 25), according to Barbara Ransom. She expects the Region will participate via phone – she sees an electronic invitation with Stoner, Kopsis, Peck and Best-Wong. Jane, could you ensure you and Sylvia are invited to the call? Thx, A
